WAPDA's Presentation to IRSA on Draft PC-I of Telemetry Project

WAPDA made a presentation on Telemetry Project to the Authority on 22nd February, 2021, where the Water Resources representatives were also present. After a detailed discussion, it was decided that:

- i) WAPDA would indicate realistic timelines for project activities,
- ii) Project consultant would be selected as per PPRA rules and an International Panel of Experts (IPOE) would scrutinize and authenticate their tasks,
- iii) IRSA's contribution limit was determined,
- iv) The revised draft of the PC-I would be circulated to all the stakeholders for their comments and the timeline for the 2nd phase would also be indicated.

It was stressed that as this project was of national importance, WAPDA would do all these activities on fast track basis to complete it in the shortest possible time.
